

PRODUCT WARRANTY
Watts Battery Ltd

1. Warrantor

Warrantor is Watts Battery Ltd., 143026, Lugovaya St., 4/5, Moscow, Russian Federation (Watts Battery)

2. Products

The following limited warranty terms and conditions (collectively, the "Warranty") apply exclusively to Watts Battery products of the following types ("Covered Products") which:

- WATTS WBX 1.0 (or higher), installed after July 31, 2017,
- were manufactured by and bear the original manufacturing label of Watts Battery
- were sold by Watts Battery directly or through a certified Watts Battery dealer ("Authorized Dealer") as new products in Finland, France, Germany and Russia;
- were installed and commissioned by an Authorized Dealer within the Finland, France, Germany and Russia.

3. Product Warranty

For Covered Products, Watts Battery covers all defects in workmanship and materials during the Warranty Period under normal application, installation, use and service conditions as specified in Watts Battery's standard product documentation, and subject to the conditions listed below ("Product Warranty"). The Product Warranty is not intended to be a durability warranty, as end-user conditions and usage is variable.

4. Performance Warranty

Watts Battery guarantees that the actual storing capacity of the original battery pack included in the Covered Product ("Battery Pack") will be not less than 70% of the labeled storing capacity.

5. Warranty Obligations

5.1. During the Warranty Period, Watts Battery will, at its option, repair the defective parts (if economically feasible) or replace the defective part free of charge, provided that you properly notify Watts Battery of the product defect within the Warranty Period, and provided that Watts Battery, through inspection, establishes the existence of a defect covered by this Limited.

5.2. Watts Battery will, at its option, use new and/or reconditioned parts in product replacement parts. Watts Battery reserves the right to use parts or products of original or improved design in the repair or replacement of your product. If Watts Battery repairs or replaces a product part, its warranty continues for the remaining portion of the Warranty Period or 90 days from the date of the repair or replacement, whichever is greater.

5.3. This Warranty covers Watts Battery costs for materials necessary to reestablish trouble free operation of the Covered Product. This Warranty does NOT cover, however, costs of installation, cost of removal, cost of labor for repair, cost of shipping or cost of reinstallation of a Covered Product or parts thereof.

5.4. Except as otherwise provided by applicable law, the foregoing remedies state watts battery's sole and exclusive obligation and your sole and exclusive remedy for a breach of the foregoing limited warranty.

6. Warranty Term

6.1. The warranty period ("Warranty Period") for the Covered Product commences upon the initial purchase from Watts Battery or an Authorized Dealer (as evidenced by the purchase invoice date).

6.2. The Warranty Period for the Product Warranty (Section 3) terminates upon the earlier of (i) 63 months after purchase of the Covered Product, or (ii) 60 months after installation of the Covered Product by an Authorized Dealer.

6.3. The Warranty Period for the Performance Warranty (Section 4) terminates upon the earlier of (i) 63 months after purchase of the Covered Product, or (ii) 60 months after installation of the Covered Product by an Authorized Dealer, or (iii) 5,000 full (100%) charging cycles of the Battery Pack.

7. Persons Entitled to Make Warranty Claims

Warranty claims may only be made by the original purchaser of a Covered Product, if the Covered Product has been registered through Watts Battery's product registration website during Watts Battery Product Warranty the installation process by the Authorized Dealer, or a person or entity to whom the title to the Covered Product has been transferred.

8. Claim Notice

8.1. If you believe that you have a justified claim covered by this Warranty, you must submit the claim in writing ("Claim Notice") to Watts Battery within the applicable Warranty Period to Watts

Battery's address set forth above, or such future address as Watts Battery may provide from time to time. Any Claim Notice must include the following information:

- the serial number of the Covered Product for which a Claim Notice is being sent;
- a copy of the dated purchase receipt for the Covered Product;
- a copy of the installation protocol for the Covered Protocol signed by an Authorized Dealer;
- information about the use of the Covered Product in reasonable detail; and
- information about the defect in reasonable detail.

8.2. Upon receipt of your Claim Notice Watts Battery may ask for further information or claim verification from you, receipt of which will be required prior to processing the claim.

8.3. Upon acceptance of your warranty claim, Watts Battery may require that you send the Covered Product at your own costs to a Watts Battery warranty claim center located in Finland.

LIMITATIONS OF WARRANTY

1. Excluded Warranty Claims

1.1. Watts Battery makes no warranties, either expressed or implied, orally, or in writing, with respect to any other warranty coverage except those expressly stated in this limited Warranty

1.2. The Warranty does not cover damages that occur due to:

- Transport damage;
- Installation or commissioning through any person which is not an Authorized Dealer;
- Failure to observe the user manual, maintenance regulations and intervals;
- Modifications, changes, or attempted repairs, except as conducted by an Authorized Dealer;
- Incorrect use or inappropriate operation;
- Insufficient ventilation of the Covered Product;
- Failure to observe the applicable safety regulations; or
- Force majeure.

1.3. This warranty does not cover cosmetic defects which do not directly influence energy production, or degrade form, fit, and function.

1.4 Claims that go beyond the scope of this limited Warranty, in particular claims for compensation for direct or indirect damages arising from the defective device, for compensation for costs arising from disassembly and installation, or loss of profits, are expressly NOT covered by this Warranty.

1.5. In no event will Watts Battery be held responsible or liable for any personal injuries resulting from the use of the system, or for any other damages, whether direct, indirect, incidental, or consequential; even if Watts Battery has been advised of such damages.

2. Internet Connectivity

As a condition to this limited Warranty, Watts Battery requires continuous online access to the Covered Product via internet connection. This Warranty requires that the Covered Product will be properly connected to the internet through your internet provider and expressly excludes any defects resulting from your acts or omissions that prevent Watts Battery from accessing the Covered Product online as may be required for software upload or performance data download.

GENERAL

This limited Warranty and the terms contained herein supersede all statements contained in any and all user manuals, installation manuals, other equipment literature or catalogs, or orally with respect to any product or performance warranty for Covered Products.
